NOTES:

1. The Company believes that Annual General Meeting ("AGM") is a forum which provides the shareholders an opportunity to interact with the Board of Directors and its Senior Management team. However, in view of the ongoing Covid-19 pandemic and pursuant to the Circular No. 20/2020 dated May 5, 2020 read with Circular No. 14/ 2020 dated April 8, 2020 and Circular No. 17/ 2020 dated April 13, 2020 (collectively referred to as "MCA Circulars") issued by the Ministry of Corporate Affairs ('MCA') and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 ("SEBI Circular") issued by the Securities and Exchange Board of India (SEBI) and in compliance with the provisions of the Companies Act, 2013 ("the Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Company has decided to hold its 26th AGM through video conferencing ("VC") or other audio visual means ("OAVM") (hereinafter referred to as "electronic means") i.e. without the physical presence of the Members. For this purpose, the Company has availed services from **BEETAL Financial & Computer Services Pvt. Ltd.** for conducting AGM through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as online voting on the date of the AGM will be provided by the Central Depository Services (India) Limited ("CDSL").
2. Members may join the 26th AGM through VC Facility by following the procedure as mentioned below in the notice, which shall be kept open for the Members from 01:30 p.m. IST i.e. 30 minutes before the time scheduled to start the 26th AGM and the Company may close the window for joining the VC Facility, 30 minutes after the scheduled time to start the 26th AGM. However, the participation of members holding 2% or more is not restricted on first come first serve basis. Attendance of members will be counted as the members who have successfully logged in through VC or OAVM and shall be counted for the purpose of reckoning of the quorum under section 103 of the Act.
3. Since AGM will be held through VC, there would be no requirement of appointing proxy in accordance with the MCA circulars. Accordingly, appointment of proxies by the members will not be applicable.
4. As per the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated 13th April, 2020 and SEBI Circulars issued in this regard, the Notice calling the AGM has been uploaded on the website of the Company at www.highstreetfilatex.in. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of CDSL (agency for providing the facility of conducting Remote e-Voting facility) i.e. www.evotingindia.com.
5. The Notice is being electronically sent to all the members of the Company, whose name appear on the Register of Members/List of Beneficial Owners, as received from the Depositories on Friday, August 21, 2020 and who have registered their e-mail addresses with the Company and/ or with the Depositories. It is however, clarified that all the persons who are members of the Company as on Wednesday, September 23, 2020 (including those members who may not have received this Notice due to non- registration of their e-mail IDs with the Company or the Depositories) shall be entitled to vote in relation to the resolutions specified in this Notice.
6. Members are requested to:
 - a) Notify the change in address if any, with Pin Code numbers immediately to the Company (in case of shares held in physical mode).
 - b) Quote their Regd. Folio Number/DP and Client ID Nos. in all their correspondence with the Company or its Registrar and Share Transfer Agent ("RTA").
7. Members are informed that in case of joint holders attending the meeting, only such joint holder who is higher in the order of the names will be entitled to vote.
8. The Register of Directors and Key Managerial Personnel (KMP) and their shareholding and Register of Contracts or Arrangements in which Directors are interested, maintained under Sections 170 and 189 of the Companies Act, 2013 respectively will be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 30, 2020. Members seeking to inspect such documents can send an email to highstree.filatex@gmail.com.
9. Members desiring any information with regards to accounts and/or operation of the Company are requested to write to the Company at least seven days in advance of the Meeting so as to enable the Management to keep the information ready.
10. All documents referred to in the Notice are open for inspection by the members at the Registered Office of the Company during office hours on all working days except Saturdays, Sundays & public holidays between 11.00 A.M. to 01.00 P.M. upto the date of the Meeting, further electronic inspection will also be available without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 30, 2020. Members seeking to inspect such documents can send an email to highstree.filatex@gmail.com.
11. Pursuant to Section 72 of the Companies Act, 2013, members holding shares in physical form may file nomination in the prescribed Form SH-13

- and for cancellation/variation in nomination in the prescribed Form SH-14 with the company's RTA. In respect of shares held in electronic/demat form, the nomination form may be filed with the respective Depository Participant. ANNEXURE "4" TO BOARD'S REPORT**MANAGEMENT DISCUSSION & ANALYSIS REPORT****OVERVIEW:**

The operating and financial review in this discussion pertains to the management's perspective on the financial condition as well as the operating performance of the Company for the FY2019-20. The following discussion of the Company's financial performance result and operating results should be read in conjunction with the Company's Financial Statements and Notes thereto and other information included elsewhere in the Annual Report. The Company's Financial Statements were prepared in compliance with the requirements of the Companies Act, 2013.

INDIAN ECONOMIC OVERVIEW

India emerged as the sixth-largest economy and retained its position as the fastest-growing trillion-dollar economy. The principal developments during the year under review comprised a sustained increase in per capita income, decline in national inflation, steadying interest rates and weakened consumer sentiment starting from the second half of the financial year. At the end of the financial year 2019-20 the world had witnessed the global pandemic COVID-19 which has shaken the economy not only of the India but also of the whole world in just few months. The losses and impact of the pandemic cannot be ascertained in the current time.

The Management Discussion & Analysis Report has been included in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India. The report herein presents the Company Overview, SWOT Analysis, Initiatives by the Company and overall outlook of the Company for the future. This outlook is based on the assessment of the current environment which may vary due to future economic and other developments in the universal arena.

COMPANY STRUCTURE AND DEVELOPMENTS

The Company adopted series of measures to boost its activities. But, due to non availability of strategic or financial partner, the unit cannot be yet revived in a full fledged way. In comparison to previous year, the Company's sales was decreased in the year 2019-20 was Rs. 2,037,788/- as compare to previous year Rs. 29,207,908/- due to high manufacturing expenses, the Company had a loss of Rs. (2,763,895)/- in Financial Year 2019-2020 whereas during Financial Year 2018-2019, the Net Loss of the Company was Rs. (1,830,623)/-.

The Company is suffering from losses and even could not able to afford the fixed expenses of the factory unit but it's just trying its best to cope up everything with small amount of sales.

In spite of the above, the Company has not lost its hope to get a financial partner and our assiduous efforts continue for the same. The Company is looking for a strong future ahead and targeting the significant growth in the next year. Its future aim is to improve its financial position.

Performance Review:

Ratios	F.Y 2019-20	F.Y 2018-19
Debtor Turnover Ratio	11.06	4.82
Inventory Turnover Ratio	0	3.98
Current Ratio	0.60	0.99
Debt Equity Ratio	0.68	0.72

SWOT ANALYSIS**1. STRENGTHS:**

- The Company has most strategically located plant and has adopted advanced production techniques.
- The Company due to past experience and having better goodwill with world's best exporters is capable of recapturing the foreign market in short span of time.
- The Company's products are very well established in foreign market. It is capable of making socks of different designs/patterns.

2. Weakness:

- The financial position of the Company is still not improved according to the set objectives. The management is trying its best to bring the Company in a better position by next year.

3. Opportunities:

- Due to expansion of the trading base of the company, there will be substantial increase in demand of Company's products.
- The Company will be able to use much potential available now in the domestic market on which every Multi National

Company has set their eyes upon in India.

4. Threats:

- Due to high competitive pressure in the market, the Company has to operate in this competitive scenario and acquire a grip in the market to hold its foot firmly and upkeep the brand name.
- Adverse change in the Government Policies may affect the business operations of the Company.
- Technology Obsolescence: These are the days when technology takes no time to become obsolete. Thus to be at par with its competitors the Company has to ensure that it constantly updates and upgrades its technology

INTERNAL CONTROL SYSTEMS

The Company has professional & adequate internal control systems which ensure protection against misuse or loss of the Company's assets. The Company deploys a robust system of internal control that facilitates the accurate and timely compilation of financial statements and management reports; ensures regulatory and statutory compliance and safeguards investor's interests by ensuring the highest level of governance and periodical communication with investors. The Audit Committee also reviews the effectiveness of the Company's internal control system which provides adequate safeguards & effective monitoring of its transactions.

Independent Auditor's Report

To
The Members of High Street Filatex Ltd.

Report on the Audit of the Financial Statements**Opinion**

We have audited the accompanying financial statements of **High Street Filatex Ltd.** ("the Company"), which comprise the Balance Sheet as at 31st March 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter paragraph

Attention has to be drawn to Note No. 38 to the financial statements regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and the assessment made by the management on its business and financials, including valuation of assets, policy liabilities and solvency for the year ended 31st March,

2020, this assessment and the outcome of the pandemic is as made by the management and is highly dependent on the circumstances as they evolve in subsequent periods.

Our opinion is not modified on the above matter.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

On the auditor's report date, we have nothing to report in this regard, due to the Annual Report expected to be made available to us after the date of this auditor's report.

Responsibilities of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and

design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible

for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our

independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act 2013 we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

Annexure -A to the Independent Auditor's Report of even date to the members of High Street Filatex Ltd., on the financial statements for the year ended 31 March 2020

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (b) The fixed assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the property, plant and equipment is reasonable having regard to the size of the Company and the nature of its assets. However, we have not been provided any documents for the same.
- (c) The title deeds, comprising all the immovable properties of land and buildings which are freehold (which are included under the head 'fixed assets'), are held in the name of the Company as at the balance sheet date.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification. However, we have not been provided any documents for the same.
- (iii) The Company hasn't granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, Paragraph 3(iii) of the order is not applicable.
- (iv) The Company has not granted loans, investments, and guarantees under the provisions of Section 185 and 186 of the Companies Act. Accordingly, Paragraph 3(iv) of the order is not applicable.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, Paragraph 3(v) of the order is not applicable.
- (vi) The Company is not required to maintain cost records under Section 148 (1) of the Act. Accordingly, Paragraph 3(vi) of the order is not applicable.
- (vii)(a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, goods and services tax, duty of customs, duty of excise, value added tax, cess and other statutory dues, as applicable, have been regularly deposited to the appropriate authorities. There are no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) There are no dues of income tax, sales-tax, service tax, goods & service tax, duty of custom, duty of excise and value added tax, that have not been deposited with the appropriate authorities on account of any dispute except
- A Demand of Rs.1,42,048 raised by Land & Building Tax Deptt has not been deposited by the Company as the same is disputed and matter is being contested in appropriate court, as informed by management.
 - A demand of Rs. 1,84,070 raised by ESI Deptt. On account of factory was closed from October 2007 to December 2008. This demand has been challenged by Company in appropriate court, as informed by management.
- Company has deposited a sum of Rs. 92,035 from above demand under protest to ESI Deptt.
- (viii) The Company does not have any loans or borrowing from any Financial Institution, Banks, Government or Debenture holders during the year. Accordingly, Paragraph 3(viii) of the order is not applicable.
- ix) The Company did not raise any money by way of initial public offer, or further public offer (including debt instrument) and term loan.
- (x) We have neither come across any instance of material fraud by the Company or on the Company by its officers or employees noticed or reported during the year nor have we been

informed of any such case by the Management.

- (xi) Management remuneration has been paid by the Company in accordance with the requisite approvals mandates by the provision of section 197 of the Act read with schedule V to the Act.
- (xii) The Company is not a Nidhi Company. Accordingly, Paragraph 3(xii) of the order is not applicable.
- (xiii) All transactions with the related parties are in compliance with Section 188 and 177 of Companies Act 2013 where applicable and the details have been disclosed in the Financial Statements etc. as required by the accounting standards and Companies Act 2013.

(xiv) The Company has not made any preferential allotment / private placement of shares or fully or partly convertible debentures during the year.

(xv) The Company has not entered into any non-cash transactions with directors or persons connected with him.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

- Independent Auditor Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")
- In conjunction with our audit of the financial statements of **High Street Filatex Ltd.** (the Company) as at and for the year ended 31 March 2020, we have audited the internal financial controls over financial reporting of the Company as at that date.
Management's Responsibility for Internal Financial Controls
 - The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the
 - Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of Internal financial controls over financial reporting, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
 - Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of Internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

6. A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. **Notes to the standalone Financial Statements for the Year ended March 31, 2020**

1.1. **Corporate and General Information's**

High Street Filatex Limited is incorporated in India on May 24, 1994. The company is engaged in the business of manufacturing and trading of Knitted socks, head band and wrist band and trading in yarn and commodities.

These financial statements were approved and adopted by Board of Directors of the company in the Board Meeting dated June 29, 2020.

1.2. **Basis of Preparations**

These financial statements have been prepared Indian Accounting Standard (Ind AS) as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standard) rules as amended from time to time.

The preparation of the financial statements requires management to make estimates, judgements and assumptions. Actual results could vary from these estimates. The estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Notes on critical accounting estimates, assumptions and judgements). The management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

1.3. **Statement of Compliance**

The financial statements comprising of the Balance Sheet, Statement of Profit and Loss, Statement of changes in equity, Statement of Cash Flow together with notes comprising a summary of Significant Accounting Policies and Other Explanatory Information for the year ended 31st March 2020 and comparative information in respect of the preceding period have been prepared in all material aspects in accordance with IND AS as notified and duly approved by the Board of Directors and audit committee, along with proper explanation for material departures.

1.4. **Summary of Significant Accounting Policies**

The financial statements have been prepared using the significant accounting policies and measurement basis summarized below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions.

The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency and all amounts are in Rupee, except as stated otherwise.

a. **Current versus non-current classification**

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a.) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b.) Held primarily for the purpose of trading
- c.) Expected to be realised within twelve months after the reporting period, or
- d.) Cash or cash equivalent unless restricted from being exchanged or used to settle liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it is:

- a.) Expected to be settled in normal operating cycle
- b.) Held primarily for the purpose of trading,
- c.) Due to be settled within twelve months after the reporting period, or
- d.) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

Accordingly, Project related assets & liabilities have been classified in to current & noncurrent based on operating cycle of respective projects.

All other assets and liabilities have been classified into current and noncurrent on a period of twelve months.

Deferred tax assets and liabilities are classified as non-current assets and liabilities."

b. Inventories

Finished goods:

Finished goods are valued at lower of cost or net realisable value. Cost includes direct materials and labour and a portion of manufacturing overhead based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Finished Goods are measured at average cost.

WIP and Stores & Spares:

Raw materials, components, stores and spares and work-in progress are valued at cost.

c. Statement of cash flows

Cash flows are reported using the method as prescribed in IND AS 7 'Statement of Cash flows', where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expense associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

d. Prior period errors

Prior period errors include omissions and misstatements arising from a failure to use reliable information that was available or could have been obtained when financial statements for those periods were approved for issue.

Prior period errors relating to the last comparative period will be shown by restating the comparative figures of Balance sheet and Profit and loss, wherever necessary. Thus, it will be disclosed in the comparative financial statements as if the error had not even occurred.

e. Revenue recognition and other income

Revenue on sale of Products

- The Company recognizes revenues on accrual basis and measured it at the fair value of the consideration received or receivable, net of discounts, volume rebates, GST.
- Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers'
- Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.
- The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Other income

- **Interest**
Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of financial asset to that asset's net carrying amount on initial recognition.
- **Dividend**
Dividend income is recognized when the right to receive dividend is established.

f. Property, plant and equipment

Property, plant and equipment are tangible items that:

- (a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and
- (b) are expected to be used during more than one period.

On transition to IND AS, the Company has adopted optional exemption under IND AS 101 for carrying amount of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

Capital work-in-progress includes cost of assets at sites, construction expenditure and interest on the funds deployed.

Depreciation on Property, Plant and equipment's

Assets are stated at cost less accumulated depreciation/amortization /deletion and impairment loss, if any. Depreciation is charged on the basis of Straight Line Method over the estimated useful lives based on technical estimates. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life. Freehold land and land exceeding 90 yrs lease are not depreciated. Estimated useful lives of the assets are as follows:

Categories of Assets (years)	Estimated of useful life (in years)
- Office Building	30
- Plant and Machinery	15
- Office equipment, operating and others	
- Computer equipment	3-6
- Office furniture and equipment	10
- Vehicles	10

Other Assets

- (i) Cost of leasehold Improvements is amortized over the lease period,
- (ii) Other Tangible assets - Useful lives as specified in Schedule II of Companies Act 2013,
- (iii) Buildings being used for project purpose are amortized over the expected period of project completion.
- (iv) Assets costing up to Rs.5000/- are fully depreciated in the year of purchase only.
- (v) Intangible assets are amortized over a period of five years.

g. Leases

The company evaluates if an arrangement qualifies to be a lease as per the requirements if Ind AS 116. Identification of a lease requires significant judgement in assessing the lease term (including the anticipated renewals) and the application discount rate.

The company determines the lease term as the non-cancellable period of lease, together with both period of lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the company is reasonably certain to exercise an option to extend lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the company to exercise an option to extend lease, or not to exercise an option to terminate the lease. The company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

h. Employee benefits**Short - term Employee Benefits:-**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognised in the period in which the employee renders the related services

The Company recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability after deducting any amount already paid.

Post-employment Benefits:-

Defined Benefit Plan and Other Long-Term Benefits: Retirement benefits in the form of gratuity is determined on the basis of an actuarial valuation using the projected unit credit method as at Balance Sheet date.

Other long-term benefits in the form of leave encashment is provided based on the percentages notified by Government guidelines.

Provision for gratuity is made on the basis of actual accrued liability if any.

i. Borrowing cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing cost are charged to revenue.

j. Earnings Per Share

Basic earnings per share are computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.

Diluted Earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity share which could have been issued on conversion of all dilutive potential equity shares.

k. Impairment of non-financial assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

l. Provisions and contingencies**(i) Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

(ii) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the books of the accounts but are disclosed in Board Report. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset and the corresponding income is booked in the Statement of Profit and Loss.

m. Taxation

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or other comprehensive income, in such cases the tax is also recognized directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognized in equity or other comprehensive income is also recognized in equity or other comprehensive income, such change could be for change in tax rate.

(i) Current Tax

Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

(ii) Deferred Tax

Deferred tax is recognized on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences, and deferred tax assets are generally recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilized. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

n. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

o. Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when, and only when, the Company becomes a party to the contractual provisions of the instruments.

(i) Financial Assets

Financial Assets are measured at amortized cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivable are measured at amortized cost using the effective interest methods, less any impairment. Interest income is recognized by applying the effective interest rate, except for short-term receivable when the recognition of interest would be immaterial.

Subsequent measurements of financial assets are dependent on initial categorization. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

(ii) Financial Liabilities

At initial recognition, all financial liabilities other than fair valued through profit and loss are recognized initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss.

• Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

• Financial liabilities measured at amortized cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the

effective interest rate method ("EIR") except for those designated in an effective hedging relationship. The carrying value of borrowings that are designated as hedged items in fair value hedges that would otherwise be carried at amortized cost are adjusted to record changes in fair values attributable to the risks that are hedged in effective hedging relationship.

1) Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

2) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) De-recognition of financial Assets and Financial liability

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other income or finance costs.

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires, or when it transfer the financial asset and substantially all the risks and rewards of ownership of the assets to another entity.

Offsetting financial assets and liabilities

There are no financial assets or financial liabilities which are subject to offsetting as at March 31, 2020 and March 31, 2019 since, the entity neither has enforceable right or an intent to settle on net basis or to realise the asset and settle the liability simultaneously. Further, the Company has no enforceable master netting arrangements and other similar arrangements as at March 31, 2020 and March 31, 2019.

p. Asset held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. Non-current assets classified as held for sale are measured at the lower of carrying amount and fair value less cost to sell. Any resulting impairment loss is recognized in the Statement of Profit and Loss. On classification as held for sale the assets are no longer depreciated.

q. Segment reporting

The Company identifies primary segments based on nature of products and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the managing board in deciding how to allocate resources and in assessing performance.

r. Fair value Measurement

The Company measures financial instruments, such as investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a nonfinancial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- (b) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- (c) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

s. Exceptional items

Exceptional items comprise items of income and expense, including tax items, that are material in amount and unlikely to recur and which merit separate disclosure in order to provide an understanding of the Group's underlying financial performance

1.5. Critical accounting estimates, assumptions and judgments

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectation of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

In the process of applying the accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements:

(i) Income taxes

"Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements."

(ii) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(iii) Property, plant and equipment

Management assesses the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

1. Pursuant to Schedule 2 of Companies Act, 2013 and rules made thereunder, residual life of all depreciable assets has been worked out in line with recommended useful life. All assets except building are past their useful life and hence their carrying value has been considered Nil. For building salvage value is estimated at Rs. 399779 (@ 3% of original cost of the building). The total useful life of building is estimated as 30 years and hence, the remaining life as on 31st March, 2014 is 11.41 years and depreciation has been adjusted accordingly. Similarly the depreciation on revalued portion of building has also been recomputed and is reduced from revaluation reserve.

2. The Leasehold land was allotted on 99 year lease w.e.f. 4/10/1991 by RIICO.

3. In terms of decision of Board of Directors, revaluation of Land and Building of the company was got done during 2008-09 by approved valuer so as to represent the true realizable value of assets. The cost of acquisition in case of land and written down value in case of building was substituted with value arrived as per revaluation report and the difference was credited to Revaluation reserve. Accordingly depreciation is calculated on revalued portion of building, As per schedule 2 of Companies act 2013, as adjusted to write off the entire value in residual life and the same has been shown reduced from revaluation reserve.

24 Financial risk management

24.1 Financial risk factors

The Company's principal financial liabilities comprise unsecured borrowings and trade payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, and cash that arise directly from its operations. The Company's activities expose it to a variety of financial risks:

i) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2020 and March 31, 2019.

(ii) Liquidity risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below provides amortised value of cash flows towards non-derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

Particulars	As at March 31, 2020					
	Carrying amount	On demand	Less than 1 years	1 to 3 years	More than 3 years	Total

Total	32,309,961	244,000	4,265,961	-	27,800,000	32,309,961

(iii) Credit Risk

Credit risk arises from cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to wholesale customers including outstanding receivables"

24.2 Capital risk management

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The primary objective of the Company's capital management is to maximize the shareholder value. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns for shareholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital. No changes were made in the objectives, policies or processes during the year ended March 31, 2020 and March 31, 2019.

For the purpose of the Company's capital management, capital includes issued capital, and all other equity reserves. Net debt includes, interest bearing loans and borrowings less cash and short term deposits.

The Company monitors capital using gearing ratio, which is net debt divided by total capital plus total debt.

During 2019-20, the company's gearing ratios at March 31, 2020 and March 31, 2019 were as follows:

Particulars	As at March 31, 2020	As at March 31, 2019
Loans and borrowings	27,800,000	28,044,000
Less: Cash and cash equivalents	53,762	329,497
Net Debt (A)	27,746,238	27,714,504
Total Capital	(7,265,650)	(4,501,754)
Capital and net debt (B)	20,480,588	23,212,750
Gearing ratio (A/B)	1.35	1.19

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

25 Fair value measurement

The carrying value of financial instruments by categories is as follows:

Particulars	As at March 31, 2020			As at March 31, 2019

27 Impairment of Assets

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment. If any indication exists, the assets recoverable amount is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

Note 38 COVID-19

Due to the outbreak of COVID-19 globally and in India, the company has made initial assessment of likely adverse impact on the economic environment in general and financial risks on account of COVID-19. The company is engaged in the manufacturing and trading of Knitted socks, head band and wrist band and trading in yarn and commodities. Despite the industry has effected due to the COVID-19 Outbreak, the company's management is of the view that it will not affect the going concern of the company, since the company has established reputation in the country and can serve the market. However, for the short term period the revenue is expected to be lower and accordingly, the company has to operate at such lower profits for some time.

The management has considered the possible effects that may result from the pandemic related to COVID-19 on carrying amount of trade receivables and inventories. In developing the assumption, estimates relating to the uncertainties at the balance sheet date in relation to the recoverable amount of these are set. The management has considered the global economic conditions prevailing at the date of approval of these financial results and has used the internal and external sources of information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in future due to the impact of the pandemic.
